Forecast For Scotland
Issued by Met Office Aberdeen
at 0400 on Tuesday 16 Mar 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Sunny for most. Breezy in the east.

Today:
Overnight rain clears the south and east soon after dawn, although not clearing Shetland until late morning. Then a bright sunny day to follow, some patchy cloud mainly across the north. Strong winds in the east.

Tonight:
A dry evening with clear skies away from the north to start. Patchy cloud increases overnight. Staying dry for most, but some showers for Shetland.

Wednesday:
Largely dry with patchy cloud and sunny spells. The best of the sunshine across south and central parts. Thickening low cloud gives some drizzle in the north in the evening.

Outlook for Thursday to Saturday:
Largely dry with patchy cloud and sunny spells. The best of the sunshine across south and central parts. Thickening low cloud gives some drizzle in the north in the evening.
